School work has again begun in earnest, the fall session having opened Tuesday the 4th inst. The enrolment in both the day and night classes was nearly double that of the first day's attendance last year, which is very gratifying to the management. There will of course be students enrolling virtually every week, as that is the general custom and practice of all commercial schools to accommodate all students whenever they wish to enroll.

Courses of students in many respects is above the average and another satisfactory year of work is predicted.

friends, and we extend a favorable invitation to all who can do so to come in and inspect our work.

Luther H. Edwards, one of our last year's graduates, who is now bookkeeper for the Schramm Produce & Provision Co., of Flat River, gave the school a visit Tuesday of this week. Mr. Edwards is well pleased with his position and is doing very much for the good of our school in the local belt.

Mr. Pipkin, organizer of the football team, is anxious to meet all who are interested in this work at one of the night sessions. Permanent organization is supposed to be made in the near future, hence it will be well for our young men to take this matter up without delay and see Mr. Pipkin to regard to a place on the team.

At this writing we have students from Flat River, Dossidge, Leadwood, Mine La Motte, Potosi, Festus and Doe Run. Other towns will soon be represented, as a number of young people have promised from different localities.

In conclusion of our first notes may we ask that all who are thinking of taking up the work with us this year will try to arrange to enroll just as soon as it is at all possible.

## BASE BALL.

Farmington Loses to Bonne Terre Last Sunday By Score of 12 to 11—Monday Game Ends In Row.

Bonne Terre defeated Farmington last Sunday at Bonne Terre in a loosely played game by the score of 12 to 11. The feature of the game was the batting, Stokes getting 4 hits out of 5 times up, Wood 4 hits out of 5 times up, Herman 3 hits out of 4 times up, Marion Welsh 3 hits out of 4 times up. Stokes would undoubtedly have won his game with proper support, but no man can win when his teammates make ten errors.
